

# Australia

## Destination Guide

### Used Household Goods

#### Import Documents

1. Copy of passport (photo and signature page)
2. Completed Australian Customs form B534
3. Copy of visa or e-visa approval (non-citizens)
4. Detailed inventory / packing list (in English)
5. Alcohol inventory, if applicable
6. Original bill of lading if no telex release / waybill issued (OBL) / air waybill (AWB)

#### Specific Information

- A) Sea freight clearance times vary from 12-15 working days depending on mode of sea freight and the destination location.
- B) Airfreight clearance takes approximately 5-7 working days depending on documentation received and destination location.
- C) An inventory of alcohol is required for Australian Customs to assess the duty and taxes payable, which are generally 50% of the alcohol's purchase value for wine and 150% for spirits.
- D) The signature on the Australian Customs form B534 must match the passport page.

### Motor Vehicles

#### Import Documents

1. Vehicle import approval (VIA)
2. Import declaration (prepared by Customs broker)
3. Registration papers from country of origin
4. Proof of ownership and purchase receipt

#### Specific Information

A VIA must be obtained prior to the importation of motor vehicles.

- a. VIA will take 3-6 weeks to approve.
- b. Application for VIA may be found @ :

[https://infrastructure.gov.au/vehicles/imports/how\\_to\\_apply.aspx](https://infrastructure.gov.au/vehicles/imports/how_to_apply.aspx)

- The restrictions for documents and Customs regulations must be met for the importation for privately owned motor vehicles.
- Customs clearance is required at the port of entry.
- Customs duties and goods and services taxes (GST) must be paid at the time of vehicle import except for returning Australian vehicles when GST only applies.
- GST only is payable on motorcycle imports
- Contact the Australian Taxation Office to determine when luxury car taxes (LCT) must be paid.

## Destination Guide

### Pets

#### Import Documents

1. Import application
2. Import permit

#### Specific Information

- A) All animals imported to Australia must meet the requirements of the Australian Department of Agriculture and Water Resources and will be quarantined upon arrival.
- B) Import permits take approximately 10 business days from the date receipt by Department of Agriculture to be approved; however, incomplete or incorrect applications may take longer.
- C) Owners of the goods must select a quarantine station for the animal prior to import.
- D) Animals may be visited by only the person identified as the importer during the quarantine period

**Note: It is critical to contact Department of Agriculture and Water Resources prior to the import of pets as requirements and restrictions are dependent upon the country of origin and vary dramatically per type of animal.**

### Restricted/Dutiable Items

1. Alcohol:
  - a. Customs duties plus goods and services tax (GST) will apply to alcohol imported into Australia.
  - b. Duty is calculated on the type of alcohol, the volume contained per bottle, the alcohol % per bottle and the value per bottle.
  - c. Ten percent (10%) GST is then added to the duty calculated.
2. Anabolic and androgenic substances (those that enhance muscle and bone growth and may include health supplements)
  - a. Antibiotics
3. ANZAC and any related advertising material
4. Items bearing an image of the Australian national flag and coat of arms
5. Items bearing an image of the Australian state or territory flags and coat of arms
6. Asbestos
7. Cat and dog fur products
8. Glazed ceramic ware (specific to lead content)
9. Cetaceans (whales, dolphins, and porpoises)
10. Chemical weapons
11. Chewing tobacco and snuff in quantities greater than 1.5 kg
- 12.

# Australia

## Destination Guide
